AMENDMENT

Commissioner of Patents
Washington, DC 20231

Sir:

In response to the Office Action dated June 5, 2001, having a shortened three-month statutory period for response which expired September 5, 2001, we have attached a petition to extend the reply time. We request that you please accept the following remarks as to the above-identified patent application:

IN THE CLAIMS:

1. (amended) A method for enhancing compound/drug penetration into hair follicles on body areas of animals and [or] humans, comprising the steps of:
 - a. applying topically a swellable composition to said body areas; [and]
